AGENDA - Private Practice Day

08:30 - 09:30 **Breakfast & Registration**

09:30 - 09:35 Chair's Opening Remarks

Zach Abramowitz, Founder, **Killer Whale Strategies**

09:35 - 09:55 **INDUSTRY KEYNOTE | Innovation at the Core: Transforming Private Practice for the Future**

- Exploring the importance of innovation in the legal industry and its impact on modern legal practice.
- Attendees will gain valuable insights into the challenges and opportunities that lie ahead, and how embracing innovation can drive growth, efficiency, and client satisfaction.
- This session will also address the crucial need for change management and discuss practical change management strategies being implemented by innovation teams.

Joy Heath Rush, Chief Executive Officer, **International Legal Technology Association (ILTA)**

09:55 - 10:15 **KEYNOTE PRESENTATION**

THEME 1 | People and Culture of the Legal Innovation Landscape

10:15 - 11:05 **PANEL DISCUSSION | Building an Innovative Legal Workforce: Hiring Strategies and Skills for Private Practice Firms**

- **Exploring the Shift:** Delve into the changing landscape of legal practice and the increasing need for innovation within private practice firms. Gain insights into the reasons behind this shift and the benefits it brings to both clients and law firms.
- **Cultivating an Innovative Culture:** Discover how law firms are adapting their hiring strategies to foster an innovative culture within their organisations. Learn about the key qualities and skills that firms are seeking in potential hires, and how they are integrating these qualities into their recruitment processes.
- **Nurturing Skills for the Future:** Gain valuable insights into the specific skills that private practice firms are looking to develop or bring into their organisations. Explore emerging areas such as legal technology, data analytics, project management, and client-centric approaches, and understand how these skills contribute to driving innovation and success in the legal industry.

Josh Rosenzweig, Senior Director of Digital Transformation and User Experience, **Morgan Lewis Bockius LLP**

Steve Gluckman, CEO and Co-Managing Partner, **Skillburst**

Amy Tenney Curren, Senior Director of Attorney Learning & Development, **Morrison Foerster LLP**

Toby Franklin, Senior Manager Practice & Client Solutions, **Paul Weiss**

11:05 - 11:45

Coffee and Networking Break + Product Showcase

THEME 2 | Addressing the Dreaded 'Billing' Culture and the Evolving Legal Landscape

11:45 - 12:15

FIRESIDE CHAT

Zach Abramowitz, Founder, **Killer Whale Strategies**
Bridget Mary McCormack, President and CEO, **American Arbitration Association**

12:15 - 13:05

PANEL DISCUSSION | **The ABC of Legal Products: from (A)lternative Legal Service Providers to (B)uilding New Solutions and Meeting New (C)lient Expectations**

- Law firm clients are as varied as the legal challenges they face. Explore how our expert panelists navigated the complex multifaceted needs, varied risk appetites, and distinct preferences for service delivery.
- Examine strategies and approaches adopted by leading law firms to keep up with their clients' evolving needs by offering varied service and pricing models along with the latest technological innovation.
- Discover the strategies, challenges, and opportunities which arise at the intersection of evolving client expectations and technological advancement

Kyle Dumont, Director of Digital Operations & Design, **Morgan Lewis Bockius LLP**

13:05 - 14:05

Networking Lunch + Product Showcase

THEME 3 | 'Bot' Really Exploring the Practical Applications of GenAI and How it is Changing the Legal Landscape

14:05 - 14:20

FIRESIDE CHAT | **Adapting to Client Demands: The Evolution of ALSPs, AFAs, and Accessible Pricing Models**

- Delve into the evolving landscape of billing structures in private practice firms and gain insights into alternative fee arrangements (AFAs) and alternative service-level pricing (ASLPs), and how these models can.

14:20- 14:50

FIRESIDE CHAT ON GEN AI IN LITIGATION | **Revolutionizing Litigation with LLMs: Current Advances and Future Possibilities**

- Assess the current state of litigation, where LLM technology enhances legal research, litigation analytics, and eDiscovery.
- Examine the challenges and untapped potential of LLMs in the field of disputes. Explore the possibilities of GenAI for Alternative Dispute Resolution, its impact on access to justice, and the potential acceleration of litigation and arbitration processes.
- Discuss the potential future applications of LLMs in dispute resolution, considering advancements and emerging trends in the legal technology landscape.

14:50 - 15:35

Coffee and Networking Break

15:35 - 16:25

PANEL DISCUSSION | Navigating Generative AI in the Legal Landscape: Practical Insights Beyond the Hype

- Explore the practical applications of Generative AI in the legal industry, separating the hype from reality and understanding where Generative AI can truly make a difference, as well as areas where its limitations.
- Hear from industry experts who have hands-on experience working with Generative AI in the legal sector. They will share their insights on what works and what doesn't, providing practical guidance for law firms and legal professionals looking to leverage Generative AI effectively.
- Future Perspectives: Explore the evolving landscape of Generative AI in the legal industry and discuss how it may continue to evolve in the future. The panel will address key considerations such as training data, addressing the hallucination issue, and the pros and cons of both custom-built and off-the-shelf Generative AI strategies.

Dan Rabinowitz, Founder/CEO, **Pre-Dicta**

Patrick Ryan, Director of Legal Knowledge Management, **Ropes & Gray LLP**

Vedika Mehera, Director of Orrick Labs, **Orrick**

09:55 - 10:15 **STANDALONE PRESENTATION**

THEME 1 | Keeping Up With the Multiverse: Change Management, Budgets and Innovation in Corporate Legal

10:15 - 11:05 **PANEL DISCUSSION | Operating the Change: Navigating Change Management in Corporate Legal Teams**

- Discuss the rapid evolution of legal operations in the context of a changing ecosystem influenced by cost pressures, growing in-house legal teams, and new technology, including LLM tech and Gen AI.
- Consider the impact of new technology integration on legal strategy and skills adoption within corporate legal teams.
- Explore the pivotal role that interoperability plays between legal teams and other functions within the business to navigate change seamlessly and gain valuable insights on leveraging legal expertise to drive innovation, foster collaboration, and ensure compliance across diverse business functions.

Sam Breen, Legal Counsel, Privacy, **Philips North America**

Martin Petraitis, Executive Vice President, Senior Deputy General Counsel, **Advance**

Derek Mogck, Head of Legal Operations, **Munich Re**

Frank Yu, Assistant General Counsel, Business Units, **Go Daddy**

11:05 - 11:50 **Coffee and Networking Break + Product Showcase**

THEME 2 | Alternate Realities: Following the Evolving Legal Landscape

11:50 - 12:10

FIRESIDE CHAT | **Embracing Change: Strategies for Effective Change Management in Corporate Legal Teams**

- Explore the need for a proactive approach, the importance of planning and collaboration, and the allocation of resources to drive successful change initiatives.
- Discover the importance of evolving the legal operations function and the role it plays in facilitating change within corporate legal teams. Discuss the need for continuous improvement, the integration of emerging technologies, and the impact of changing business needs on legal operations.
- Learn about the practical steps involved in implementing change management strategies within corporate legal teams to ensure seamless implementation of innovation.

12:10 - 13:00

PANEL DISCUSSION | **Maximizing Legal Efficiency: Strategies for Flexibility and Innovation**

- Identify ways to uncover pain points and find room for improvement while managing the day-to-day legal workload.
- Understand why In-House legal teams might be looking to move beyond traditional legal services and leveraging ALSPs to provide flexible support for workload fluctuations under budget and manpower constraints.
- Explore how leading in house counsels are looking to innovative solutions to anticipate and adapt to changing demands in legal workflows and workload surges.

13:00 - 14:00

Networking Lunch + Product Showcase

THEME 3 | **Contract Lifecycle Management in Age of Gen AI**

14:00 - 14:20

PRESENTATION/FIRESIDE CHAT | **Legal Tech: a Puppy, not a Lamborghini: Legal Tech is an investment and to some, a luxury. But it's not a sexy, flashy toy - it's something you need to nurture**

Andrew Cooper, Senior Legal Operations Manager - Global, **Idexx**

14:20 - 15:10

PANEL DISCUSSION | **Perfect Fit?: AI and Contract Lifecycle Management**

- Exploring the applications of Gen AI and LLMs within CLM and practical uses by corporate legal teams.
- Examine the challenges and opportunities within the new age of contract management.
